

BHOLD

Behavioral Health Outreach & Leadership Development Project

Brooks County ISD "Family Engagement Conference" September 30, 2022

BHOLD participated in Brooks County ISD's Family Engagement Conference. BHOLD contributed 250 snow cones to students and parents.

BHOLD was also on hand to give out useful information about our coalition and to sign up new members. This event was very successful with many people in attendance.

"Forever grateful for this successful event showcasing our district and awesome partnerships that makes us stronger!"
-Dr. María Rodríguez Casas,
